Elective Classes

Please list 5 electives in order of preference. You will receive a total of 2 choices. While every effort will be made to honor your elective choices, final scheduling might be impacted by space availability, course availability, and flexibility of your schedule. Also, some students might be placed in a safety net class in lieu of an elective, depending on state test scores. Discuss your choices with your parents and give careful consideration to the electives you choose. See the elective list on the back of this sheet and please write the course number beside your elective choice.
